

Doolittle Institute Facility Scheduling and Rental Fee Policy

I. Goals

With respect to the Doolittle Institute facility located in Niceville, Florida, Doolittle Institute (DI) goals are to provide:

- A worry-free environment for decision makers
- An open atmosphere for interactions among government, industry, academia, and the public sector
- Accommodations to allow attendees to create collaborative, speedy and innovative solutions to science and technology challenges, technology transition and transfer opportunities, workforce development, along with other areas of interest

II. Process

The use of the state-of-the-art facility will be reviewed, prioritized, and scheduled in a timely manner, using the following considerations:

- **AFRL**
All AFRL Directorates (e.g.: AFRL/RW, AFOSR, 711HPW, AFRL/RQ, AFRL/RI) may use the facility free of charge, with the Munitions Directorate (AFRL/RW or "RW") having the highest priority. RW leaders (Branch, Division Chiefs, Front Office staff, etc.) have a standing daily reserved room (room location may vary). AFRL reservation requests will be scheduled by DI based on occupancy requirements and room availability.
- **Non-AFRL Requests**
All requests must have a direct or indirect benefit to AFRL. Reservation requests (government, industry, academia, public sector) will be processed on a first-come, first-served basis; however, RW will retain "bumping" rights, in most cases until 30 days from the scheduled activity. All non-AFRL requests will be submitted to the AFRL/RW Program Manager for review. DI will email an event summary stating DI's

recommendation, how allowing facility use benefits AFRL, potential conflicts, room designation, a summary of other users and AFRL/RW's standing daily reserved room designation.

- **Bumping Rights**

When requirements dictate, the AFRL/RW program manager retains the ability to deny requests or bump non-AFRL users. In most cases, non-AFRL/RW users will be "locked in" 30 days out from the planned event; however, in rare cases, if AFRL/RW mission requirements dictate, AFRL may bump inside of 30 days.

- **Meeting Titles**

So that attendees may find their reserved space quickly, meeting titles and locations will be digitally displayed in our facility's common areas. Please keep this in mind when entering your meeting title.

III. Room Rental

Our hours of operation are **8:00am - 5:00pm** Monday-Friday, excluding government holidays.

Special requests for early arrival and/or late departure for setup and teardown will be handled on a case-by-case basis.

Coordinate all room rentals with the DI Reservation Coordinator via one of the following ways:

WEBSITE	www.doolittleinstitute.org
EMAIL	info@doolittleinstitute.org
PHONE	850.226.4383

The facility room rentals include three classrooms (35/24/8 seats), four collaboration rooms (12/8/8/22 seats), and one auditorium (104 seats). The floor plan is depicted in Figure 1. Additionally, coordinate all set-up/dry run date/times with the DI Reservation Coordinator. Organizational POCs are responsible for their room set-up/tear-down and reconfiguration to the original state. All set-up/tear-down/dry run days require room rental payment. Date or setup changes may result in additional charges. Fees include room rental & use of AV equipment. Excessive use of DI staff will result in additional fees of \$75/hour.

Doolittle Institute Facility Scheduling and Rental Fee Policy

IV. Refunds

To receive a refund, meetings/events must be cancelled NLT fifteen (15) business days prior to the event. If the organization fails to cancel reservations within the allotted timeframe, refunds will not be granted. A 15% service fee will be charged to cover refund processing fees.

V. Rental Rates

Rental rates are listed in [TABLE 1](#). Fees may be paid by cash, check, or credit card. Date or setup changes in room rental may result in additional charges. Fees must be paid no later than 15 business days prior to the scheduled meeting.

Doolittle Institute Parking Map

Designated parking for Doolittle Institute is limited to 22 spaces outlined in green. These spaces are typically reserved for Designated Guests. We request that all visitors utilize the side door entrance and available parking area.

To access the rear parking area:

- Pass through the break in the shopping center buildings between "Hungry Howie's" and "The Prescription Place," continue past "Terminix," & around the retention pond.
- Park in the parking spots surrounding the retention pond or in the parking lot

to the right of the rear of the building. Proceed to the side entrance Doolittle Institute door; if locked, please ring the doorbell. (Note: the DEFENSEWERX door is for DEFENSEWERX Corporate employees only and is not open to attendees).
